PUBLIC NOTICE

911 SERVICE

Reynolds now has 911 access for emergency calls to police, fire, and ambulance!

In an emergency, you can now dial 911 at any time, from any phone located in Reynolds and be automatically connected to a 911 emergency operator.

Please tell each and every person in your home or business to dial 911 in an emergency.

Be aware that as soon as you dial 911 you are immediately connected to an emergency response centre without even speaking – so please only dial 911 in an emergency situation.

If you have an alarm system, let your alarm monitoring company know and provide them with your civic address number.

Should you have any questions or concerns about the 911 service or civic addressing please call the office.
